

FULL-SERVICE SELF-STORAGE ACCESS MANAGEMENT

LOCK
FINITY
by Barantech

Secure Access, Simplified

HASSLE-FREE INSTALLATION NO MODIFICATIONS, IMMEDIATE VALUE!

LOCKFINITY INSTALLS SEAMLESSLY ON EXISTING DOORS. REALLY!

WHY LOCKFINITY?

AS EASY AS 1, 2, 3

A blue circular icon featuring a white battery symbol with a lightning bolt, representing wireless and long battery life.

WIRELESS, ULTRA-LONG BATTERY LIFE

With typical usage, the industry-leading replaceable battery efficiency provides **7-10 years** of reliable performance.

A blue circular icon with a white hand pointing upwards, representing zero construction required.

ZERO CONSTRUCTION REQUIRED

- Installs seamlessly on existing doors
- No modifications required

A blue circular icon with a white key, representing better lock control.

BETTER LOCK - BETTER CONTROL

- Install once and forget it for years
- Easy access with NFC or a code
- Users can share access with family, friends or workers

A blue circular icon with a white building outline, representing seamless integration.

SEAMLESS INTEGRATION

- Site management software
- Control door access
- Billing
- Customer management systems

A blue circular icon with a white lock outline, representing automated overlock.

AUTOMATED OVERLOCK

- Touch-less lock management
- Automatically restricts access for non-payment

A blue circular icon with a white stopwatch, representing rapid retrofit.

RAPID RETROFIT

- Easy deployment
- Go live in days

A blue circular icon with a white hand pointing to a lock, representing tenants choose code or app access.

TENANTS CHOOSE CODE OR APP ACCESS

- Enter your code on the lock's keypad to unlock
- Ideal for those who prefer not to use the mobile app

EFFORTLESS APP ACCESS, ANYTIME

MONITOR, CONTROL, AND ACCESS YOUR LOCK
DIRECTLY FROM YOUR SMARTPHONE

24/7 keyless entry

Customers can access their units anytime - no staff assistance needed. App can give access to doors as well.

Easy key sharing

Securely share keypad codes or mobile app keys with family, movers, or temporary guests.

Flexible lock access

Unlock via a durable weatherproof keypad or an advanced mobile app.

Compatibility

iOS or Android (with NFC).

Weather resistance rating

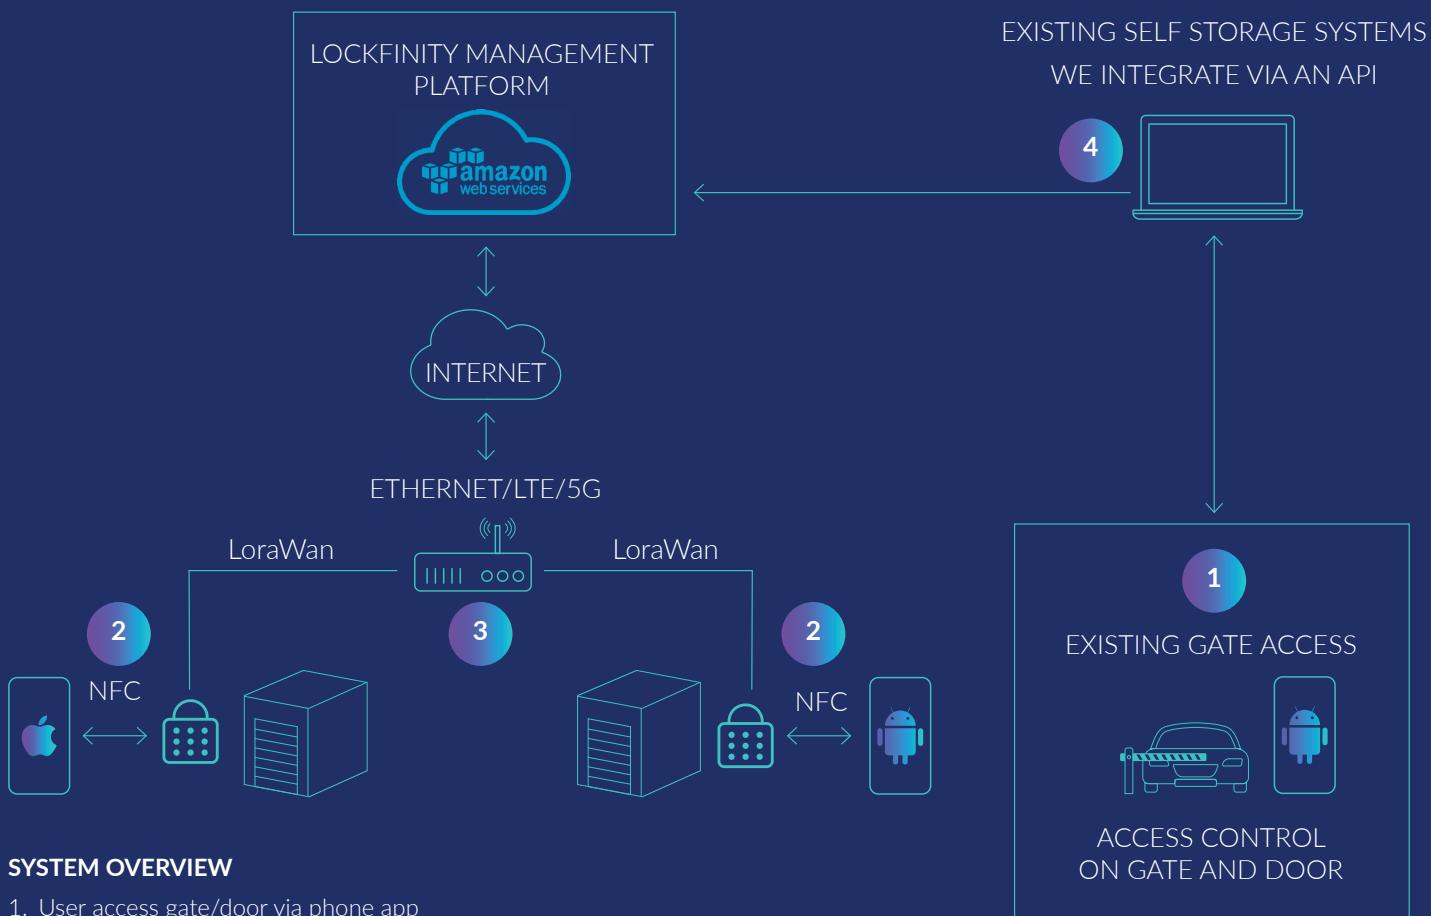

IP65

A smartphone displaying the Lockfinity mobile app interface is shown next to a physical Lockfinity keypad lock. The app screen shows a lock icon, the text 'Storage Unit 4 Building 1 - Floor 3', and options for 'Place phone on lock keypad to unlock', 'Guests', and 'Lock code'. The lock itself is a weatherproof keypad with a digital display and a numeric keypad.

LOCKFINITY SOLUTION OVERVIEW

EASY-TO-USE, CLOUD-BASED WEB PORTAL

Real-time alerts

Set up your own alerts, both for your organization and for your customers. For example, temperature, storage usage and more.

Remote access control

Grant or revoke access anytime, from anywhere.

Access tracking & audit trail

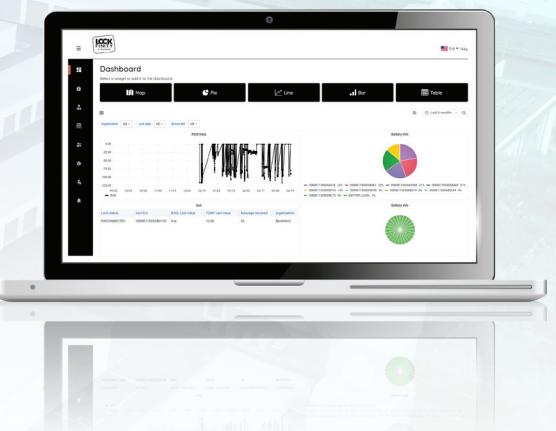

Maintain a detailed log of every entry, tracking who accessed each unit and when.

Unlocked unit detection

Instantly identify any unit left open.

New revenue streams

Offer premium services like open-unit alerts, limited-time guest access, and time-based entry pricing.
